

# 1730

Diseñada por Mermelada Estudio

En su nombre conmemora la fecha en que la primera de estas sillas fue producida en suelo americano. En su estética combina tradición americana, artesanía mexicana y diseño español.

De esta mezcla nace una poderosa colección que convive a la perfección en espacios interiores como exteriores y que con su diseño puede aportar el toque clásico en un ambiente moderno, o el toque moderno en un ambiente clásico.

(EN) The 1730 collection is a tribute to the heritage of the Windsor Chair, blending American tradition, Mexican craftsmanship, and Spanish design into a timeless masterpiece.

Whether enhancing a modern interior or adding sophistication to a classic space, 1730 seamlessly adapts to its surroundings, offering both style and versatility. Designed by Mermelada Studio, this collection embodies the perfect balance of tradition and innovation.

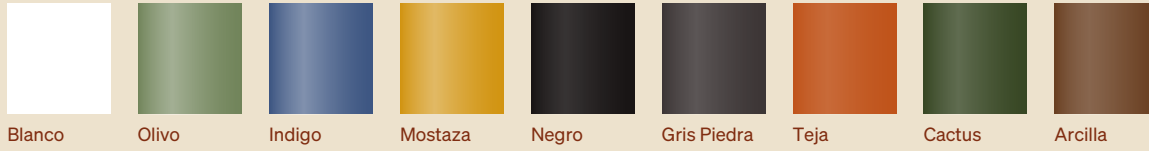

## Un ícono del diseño americano, transformado.

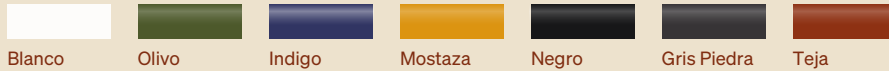

An American design  
icon transformed.
